

Twenty-Four Hundred Ninety-Nine Miles for Wishes, Awareness & Research

The WOW cycle team began with a team of 3 small business owners that want to bike 2,499-miles across the country to raise awareness and \$2,499,000 in funds to support our mission to help kids fighting cancer. From April to June, the WOW team will bike from Los Angeles to Chicago along the historic US Route 66. Every dollar donated will allow us to help kids fighting cancer through wishes, awareness, and research.

Start: Santa Monica, California

End: St. Charles, Illinois

Distance: 2,499 miles

Time: 6-8 hours of riding per day for 30 days.

Let's calculate. Show your work:

1. How many **hours** of riding will it take to get from Santa Monica to St. Charles?
2. How many **miles** will they need to travel each day?
3. How many **yards** will they bicycle?
4. How many **feet** will they travel?
5. How many **rods** (16.5 feet = 1 rod)?
6. How many **inches** will their route be?
