### About Cal's Angels:

Cal's Angels was established in 2007 in memory of Cal Sutter, a 12-year old who lost his battle with Leukemia in August of 2006.

In a little more than ten years, we have **raised over 7.5 million dollars** because of our generous donors and supporters, which has enabled us to bring hope and support to **more than 1,500 pediatric cancer patients and their families**. Cal's Angels has many programs that help kids fighting cancer including wish granting/financial assistance, 12 Days of Christmas, Fantasy Flight, 12 Oaks Sibling Assistance Program, Cal's Comfort Kits and monthly hospital parties. For more details about our programs and events visit [calsangels.org](http://calsangels.org) or like us on Facebook.

Cal's Angels GOT HOPE Gala is our largest fundraiser of the year and raises over \$860,000 to grant wishes, raise awareness and fund research to help children fighting cancer at 7 Chicagoland Hospitals.

If you have questions about the 2019 GOT HOPE Gala or increasing your exposure to our guests, please call **847.960.5317** or email [lara@calsangels.org](mailto:lara@calsangels.org).
